THE SENIOR CLASS
Bloomfield High School
Bloomfield, Missouri

The history of Bloomfield High School has been a colorful one--a history which the patrons can be proud.

The Senior Class of 1950-1951 is fortunate to have the privilege of contributing a small part to the school.

IN MEMORIAM

PAUL COOK

Member of

Board of Education
1942-1950

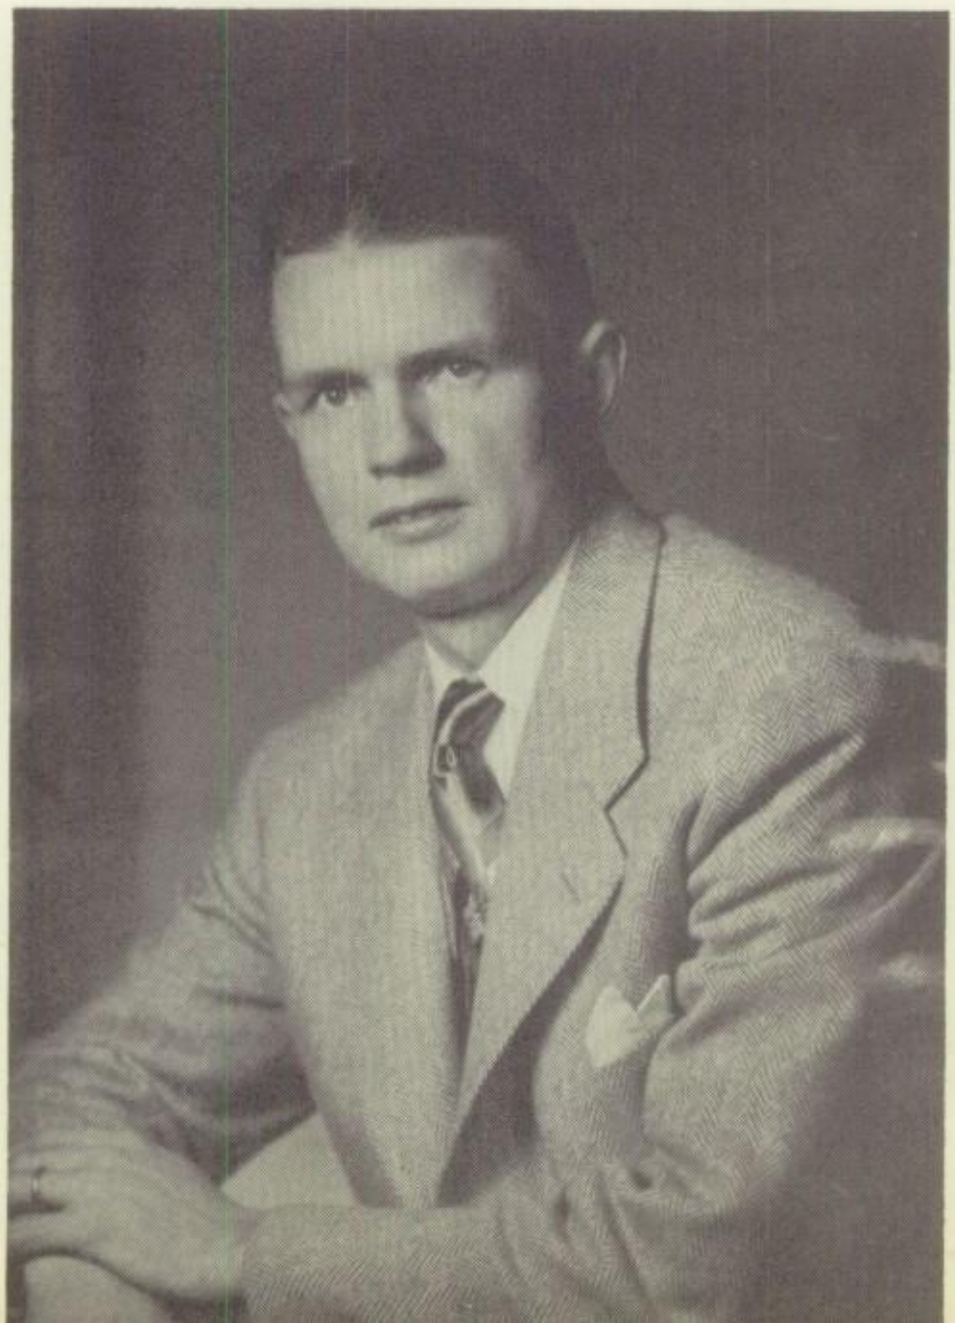
Deceased August 3, 1950

DEDICATION

Superintendent John T. Lawrence has an excellent record as an educator and administrator. He has broadened the curricula and is charged with supervision of all business affairs of the school district.

John T. Lawrence

The 1951 BLOSSOM is dedicated to two fine men of Bloomfield High School, who are included under the title of Superintendent and Principal. These men enjoy working with students and are willing to help them with any of their school problems.



Mr. W. R. Shublom, Principal, administers a well-rounded program. He performs his task of promoting a good school spirit, keeping a record of each student, enforcing scholastic regulations, checking canidates for graduation, and issueing transcripts of student records very efficiently.

BLOOMFIELD HIGH SCHOOL

SONG

There's a school upon the hill
Where the mocking birds are heard,
Down in Southeast Missouri in her glory;
And we claim her as our own
With a pride that never wanes,
We'll tell of her fame in song and story.

We are very proud of her;
For since 1898, she has
Stood as a peerless school of learning.
In declamatory fights
She has carried off the prize,
While other schools for victory were yearning.

With the basket and the ball
She is noted for her fame,
And no team can break down her mighty standard;
Every student in accord has the spirit of the high,
And to win by her colors we are banded.

We will stand for Bloomfield High
And defend her worthy name,
Though we bid her farewell and go forever;
We will think of all the days
When within her honored walls,
There was born for her a love that none can sever.

Chorus

It is victory today
For the Purple and the Gold
The colors of the Bloomfield High;
We will climb the highest hill,
And will shout with voices bold
The praises of the Bloomfield High.

GRADE SCHOOL

The grade school building was built in 1946, at a cost of $90,000. It has 10 rooms and long spacious halls.

At present there are 13 teachers and 515 students in the central system.

The principal is Mr. Lynn Marine, who has been principal of grade school for 8 years.

FOREWORD

As we the Senior Class of 1951 go forth to take our places in that greater and broader school--the World--we realize that our success will depend largely as to the way we have performed our obligations the past four years.

During the past months the seeking eyes of the world are everywhere turned towards the goal of peace. In our daily program we can reach this goal through our ordinary tasks--prayer, studies, organizations, and activities.

Choosing, therefore, for our theme Education for World Peace in the hope that the idea set forth in the Preamble to the United Nations may be fulfilled--to unite our strength to maintain peace and security.

HELEN CRAVENS
Junior

The annual Ag Barnwarmin' was held last October, in the high school gym. The gym was decorated with corn stalks and baled straw was used for seats. The Queen was Helen Cravens. She was crowned by the president, Gene Hood. The novelty of the crowning was that a buggy was used as the throne. Everyone enjoyed the refreshments of sandwiches, cookies, and "Cider".

YEA BLOOMFIELD

Yea, Yea, Bloomfield Wildcats.

WALTER SHUBLOM, COACH

BASKETBALL

Coach Shublom called the first basketball practice of the season October 14, 1950, and had eight lettermen from last years squad plus several Juniors and ten Sophomores, who were the "B" team as Freshmen the season before.

After three weeks of conditioning the squad was beginning to take shape, and then the squad slowly began to decrease: James E. Hutchison joined the Air Force--Don Barney announced his marriage, and decided to quit basketball--Billy Hillard joined the Air Force--Stanley Harris quit the squad. But Coach Shublom still had a good squad left, and he had them ready for their first game with Bernie on November 21.

Wildcats 69 - Bernie Mules 46

The Wildcats opened up on their home court and won by a large score as "Red" Wilson connected for 32 points. The Wildcats won this one without the services of Weldon Harris as he was out with injuries.

Gray Ridge 72 - Wildcats 47

This game was high - lighted by Gray Ridge playing a "Red Hot" game as they seemed to do everything "right". "Red" Wilson and Willis Jennings had 12 points each.

Wildcats 69 - Bernie Mules 50

Again the Bloomfield boys were hot as they defeated Bernie for the second time this season. Paul Phelan and Willis Jennings had 21 points each, and Weldon Harris and "Red" Wilson had 12 points each.

Wildcats 79 - Bell City Cubs 40

This was the nite the Wildcats wore their new white suits for the first time and they really broke them in right as every one was hitting from the floor. Red Wilson set what is believed to be a modern record for a Bloomfield high school player as he scored 38 points.

Wildcats 60 - Campbell 56

Paul Phelan and Red Wilson teamed up for 42 points between them which, along with the fine team work of Bill Alexander, Willis Jennings, Bob Patrick, and Weldon Harris was enough to down the strong Campbell team after the Wildcats had trailed for three quarter.

Fisk Pirates 66 - Wildcats 47

This was the game that the Wildcats were playing one of the tallest teams in South East Missouri. The Pirates really poured it on the Wildcats. This was Bob Patricks last game as he married and quit school. This left Coach Shublom with just five men on his "A" squad.

St. Marys Bulldogs 60 - Wildcats 40

This was another tall team. The outsized Wildcats put up a good battle, but came out second best.

Wildcats 65 - Dexter Bearcats 40

This was the first traditional battle between our neighbors from the south and the Wildcats. Coach Shubloms boys were really right. Weldon Harris was really beginning to come around and his playing was brillant in this game, as he scored nineteen points and set up Red Wilson for 17, Paul Phelan for 14, and Willis Jennings for 12. This was one of the games we will always remember.

Wildcats 31 - Fisk Pirates 30

This was one game where the Wildcats changed their fast break tactics to a slow ball control type of game and slowed down the tall boys from Butler Country, and eased past them 31 to 30. Paul Phelan tallied 17 points to lead the attack,

Wildcats 48 - Advance Hornets 45

This was a very close game all the way, and a good one to win. Red Wilson had 16, Wildon Harris 11, and Paul Phelan 10 to lead the way.

Puxico Indians 90 - Wildcats 55

This was a good game in spite of the score. Just too much rebounding power for the Wildcats to cope with. Five men scored over 20 points in this game. Red Wilson had 22 and Paul Phelan had 21 for the Wildcats 2 of the five.

Essex Pirates 76 - Wildcats 57

The Essex boys got hot in the 4th quarter after trailing for three quarters and soon easily won. Red Wilson had 20 points, and Paul Phelan had 18.

Delta 61 - Wildcats 58

This was one in which Bloomfield led all the way and lost in the last 45 seconds of Willis Jennings had 18 points.

St. Mary's Bulldogs 70 - Wildcats 49

The tall boys from Cope were still too much for our smaller boys and beat us again. Red Wilson and Paul Phelan had 31 points between them.

Gray Ridge 39 - Wildcats 34

The Wildcats had a cold first half and got going late in the second half, but couldn't quite catch the Panthers.

Wildcats 77 - Dexter Bearcats 44

This game was played at Bloomfield and again the Wildcats played one of their best games of the season. Bloomfield led all the way. This was the first time in ten games that Coach Shublom used more than 5 men as he used Colyer and Pruitt. Red Wilson and Paul Phelan each scored 22 points in this game. Willis Jennings had 14, Weldon Harris had 12. Don Barney returned to the squad and started getting in shape.

Wildcats 54 - Essex Pirates 52

The Wildcats evened the score for seasonal play with Essex as they nipped them in a close game played at Bloomfield. This game was played without the services of Willis Jennings who was injured during the county tournement. Red Wilson and Weldon Harris had 14 points each

The Wildcats won ten and lost eight games during the regular season play. They had a tournament record of four wins and five losses to give a seasons total of fourteen wins and thirteen losses.
